

Honourable Adriana LaGrange  
MLA - Red Deer North & Minister of Education  
200, 4818 Ross Street  
Red Deer, AB T4N 1X4

May 3, 2019

Dear Minister LaGrange:

On behalf of the Board of Trustees of Red Deer Public Schools, I wish to congratulate you on your election as MLA for the Red Deer North constituency as well as your appointment as Minister of Education. Needless to say, we are pleased to have the Minister of Education also serve as our MLA. We know from your experience as a locally elected school board trustee that you will be a strong voice for the many needs across our community and the province.

Education has been your passion for many years. Your years of service to Red Deerians has helped build the future of our community. We share in that passion, and we welcome your support as we continue to highlight the important role education plays across our community and province.

As our local MLA, we also look forward to meeting with you in the near future to share some of the opportunities and challenges within Red Deer Public Schools as well as building a strong working relationship with you to support the very best for Pre-K to 12 education in Red Deer and across the province.

Again congratulations on your success.

Mrs. Bev Manning  
Chair  
Red Deer Public Schools
