Dear Mr. Stephan:

On behalf of the Board of Trustees of Red Deer Public Schools, I wish to congratulate you on your election as MLA for the Red Deer South constituency.

Education helps build the future of our community and is a priority for the citizens of Red Deer. We welcome your support for the important role education plays across our community.

We appreciate your strong connection to Red Deer Public Schools. Your K to 12 schooling took place in our schools and you are a graduate of Lindsay Thurber Comprehensive High School. You are also a proud parent with three children attending our schools. We are grateful for your strong support and trust in our District.

As our local MLA, we look forward to meeting with you in the near future to share some of the opportunities and challenges within Red Deer Public Schools, as well as build a strong working relationship with you to support the very best for Pre-K to 12 education in Red Deer throughout your term.

Again congratulations on your success.

Mrs. Bev Manning
